

MEMBERSHIP

Joining the club in three easy steps

1) Find a sponsor. We prefer that you have a sponsor when you join the club. This will help insure your success in becoming an active and engaged member. If you do not know anyone in KAARC, please call one of the officers listed below, and we will see that you are assigned an appropriate sponsor.

2) Attend three club events. We just ask that you show an interest in the hobby by attending meetings and club sponsored events. Try us on for size!

3) Complete the application. We ask for a \$15 initiation fee and pay current dues. The cost is modest and the opportunities are great.

The application is included in this brochure.

Current Officer Sponsor Contacts:
